What is this "League" thing all about? So glad you asked! Our Sweater Weather Agility League is a fun competition where teams of two dogs and two handlers run two agility courses each night. Both runs are scored and count towards your dog's cumulative score which is calculated at the end of the four nights. We only count the best 7 out of 8 runs! **More details on next page*

Courses are based on UKI and USDAA course designs in a variety of classes. There will be **TWO SEPARATE LEAGUES** running simultaneously: one for baby dog teams and one for more experienced dogs. One handler may run multiple dogs, but not as the same team. There will be no teeter or weave poles in the Baby Dog League.

Singles option? Yes! There will be baby dog and advanced league play for singles as well.

Prizes you say? Yeah! Teams that place 1st and 2nd receive a portion of the pot!

**Also a super fun prize for best team name!*

- Improper conduct on site will result in an E (100 points).
- The final score for your dog is based on their 7 BEST scores out of the 8 which are added together.
- The final score of your team is based on the combined scores of the two dogs.

Example: Run 1 Run 2 Run 3 Run 4 Run 5 Run 6 Run 7 Run 8 Total
